The content is not intended in any way as a substitute for professional medical advice, diagnosis or treatment. Regardless of your current state of health, always seek the advice of your physician or other qualified health care provider with any questions you may have regarding your current health condition, a medical condition or treatment, and before undertaking a new health care regimen. Never disregard professional medical advice or delay in seeking it because of something you have read on this website.

RESULTS MAY VARY. The weight loss results testimonials are in no way a guarantee of results. Individual weight loss results, including amount and time, will vary. Whether genetic or environmental, it should be noted that food intake, rates of metabolism and levels of exercise and physical exertion vary from person to person. This means weight loss results will also vary from person to person. No individual result should be seen as typical.
